Colour in the ship and tugboat, and then draw your own background behind them. It could be a town or dock scene, or maybe cliffs or riverside trees. If that doesn't appeal to you how about a sky with fine or dramatic weather? Add your name and the date, then scan or photograph your finished drawing and send it to [press@medwayqueen.co.uk](mailto:press@medwayqueen.co.uk). A selection of entries will be published in our members' magazine.
